

GKSureStep

Kingston's Flooring Treatment Specialists

No Slips...More Steps

Who is GKSureStep?

GKSureStep is your one-stop floor treatment specialist.

If you have "slippery when wet" floors and you want to reduce injuries caused by slips and falls, we are the ones to see.

We apply the SureStep floor treatment product and make your floors safe under all conditions.

We currently serve the Southern and Eastern Ontario areas.

Call us for your personal quote today.

" I would like to offer our sincerest thanks for introducing us to your Sure Step product. We have tried many different slip resistant solutions over the years and I think this is the best we have come across. "

- A. Schneider, Holiday Inn Express Hotel & Suites

" I completely recommend Sure Step. Because of their excellent product and work, we were able to get rid of the mats saving us more money in linen fees. The headache of our Outbackers slipping and falling is also a memory. "

- M. Ann, Outback Steakhouse

WHAT IS SURE STEP NONSLIP?

A non-etching, long lasting chemical treatment which creates an invisible, sophisticated tread design into the surface of hard mineral floors.

Dramatically increases the Coefficient Of Friction (COF) when subjected to water or any type of liquid.

- Will not chip, peel or discolor.
- Will not change the appearance of floor.
- Not a film or coating.
- Inexpensive and highly effective.
- No down time required for application.
- Long lasting.

MARBLE	STAMPED CONCRETE
TERRAZZO	PORCELAIN TILE
GRANITE	CERAMIC TILE
CONCRETE	GLAZED BRICK
QUARRY TILE	SPANISH TILE
AND MORE...	

How Does It Work?

Our Sure Step treatment is applied and then promptly removed, leaving zero residue, film or coating. Our products will not change or alter the appearance of the treated floor, shower or bathtub.

- Requires no shutdown time.
- Is not a sealer, sprayed on film or coating.
- Is not an etching treatment.
- Is Applicable for indoor or outdoor installations in all types of weather.
- Needs no change to existing cleaning regimen, and requires no special cleaning products.
